Faculty of Management Studies and Commerce  
University of Sri Jayewardenepura

# Learning Outcomes

- Explain the importance and purpose of Controlling.
- Describe the process of Controlling.
- Describe the different types of Control.
- Explain the behavioural implications of Control and how to overcome them.

# Control

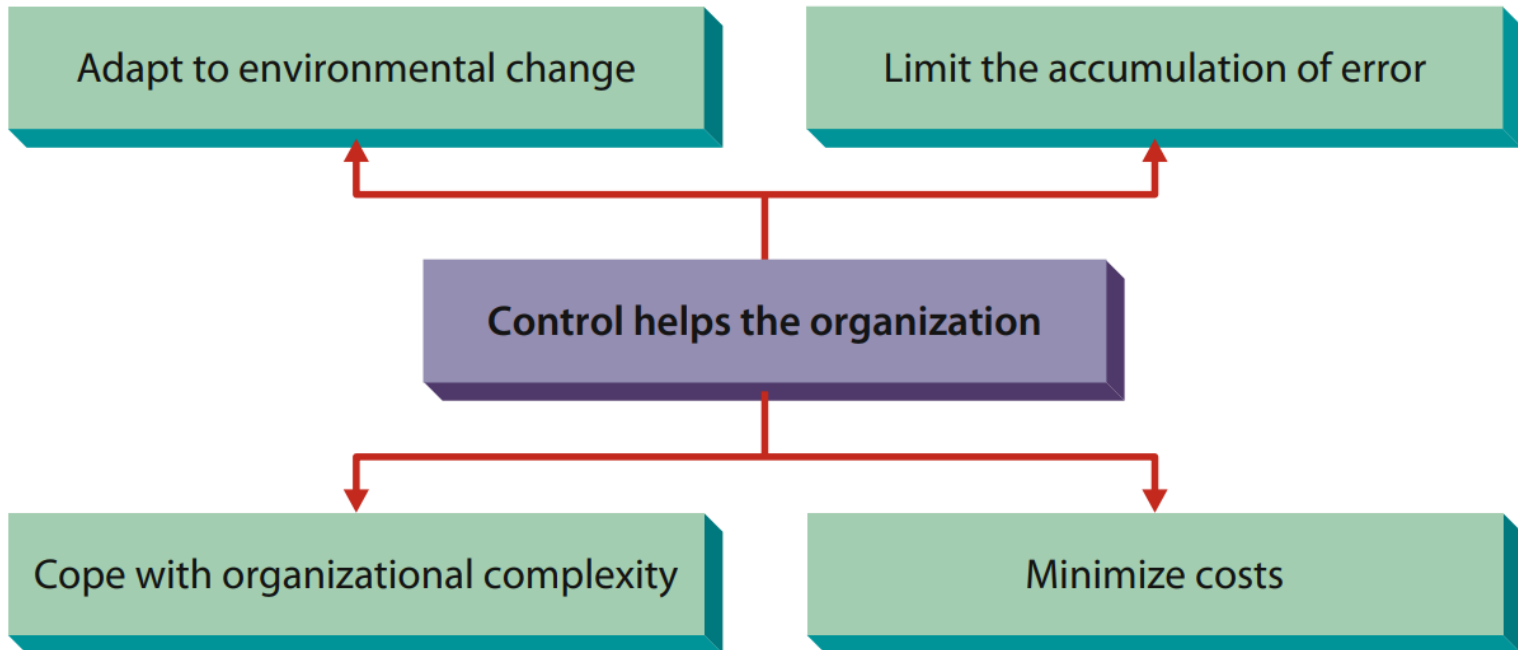

Control is the regulation of organisational activities so that some targeted element of performance remains within acceptable limits.

*(Griffin, 2016, p. 426)*

Control refers to the systematic process of regulating organisational activities to make them consistent with the expectations established in plans, targets and standards of performance.

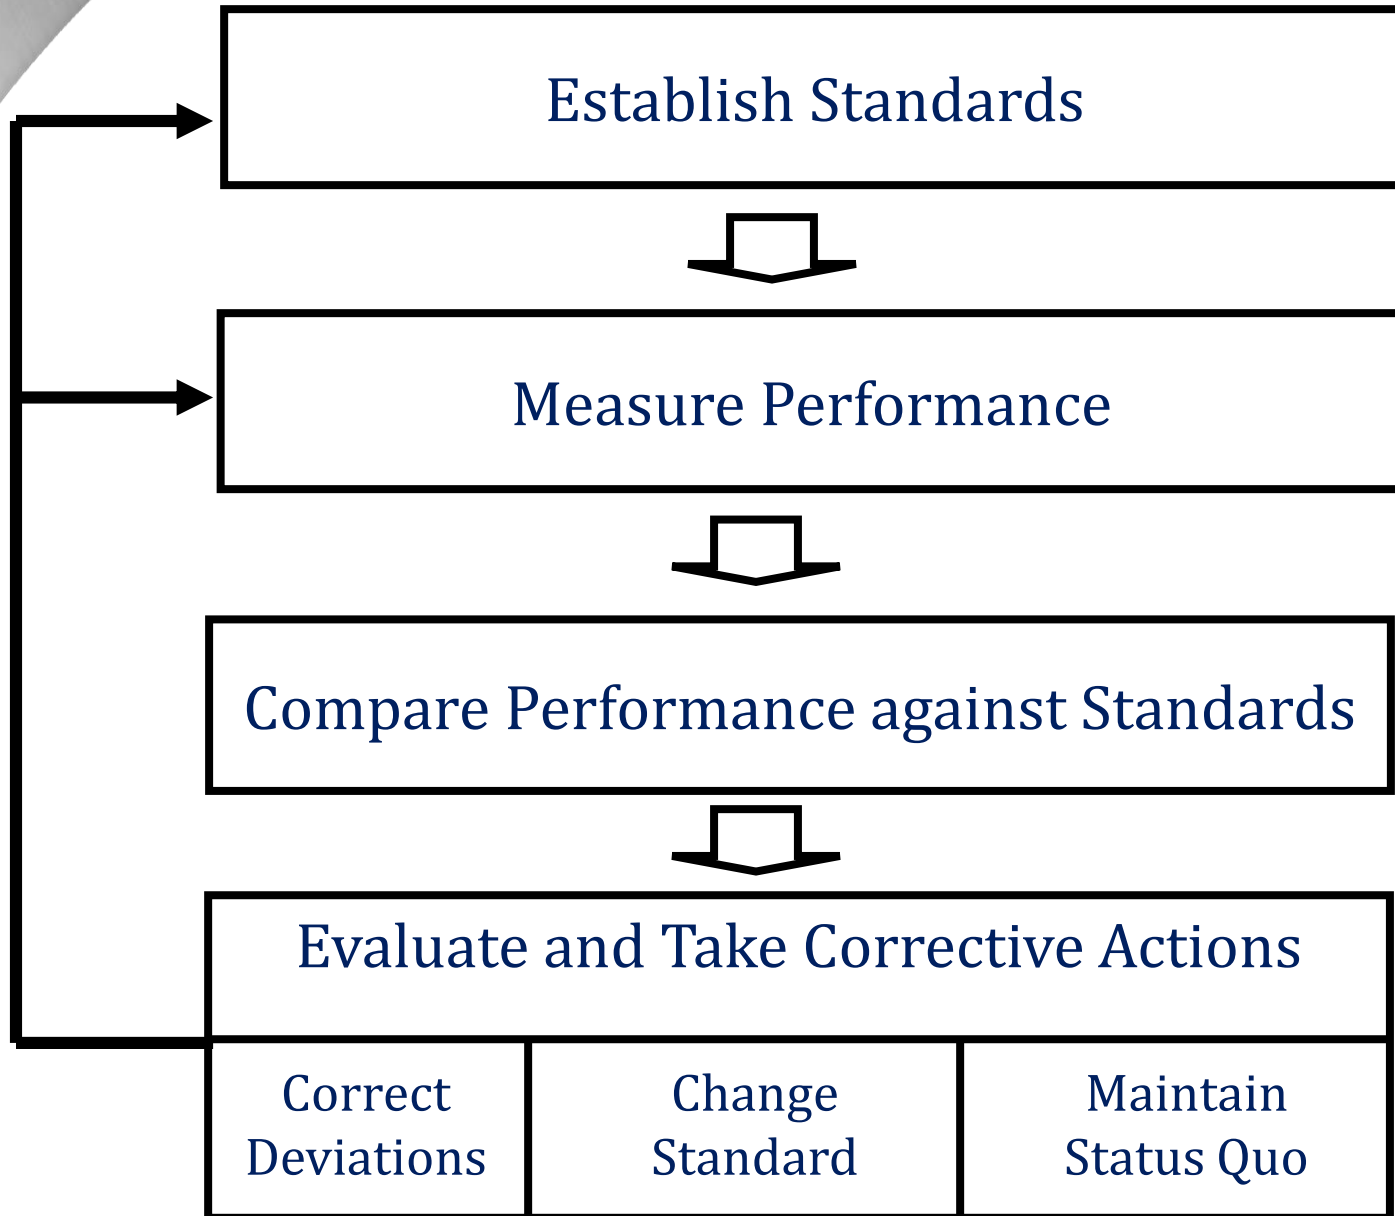

*(Daft, 2019, p. 613)*

# Why we need to Control?

*(Griffin, 2016)*

# Process of Controlling

# Types of Control

- Operational Control
- Financial Control
- Structural Control
- Strategic Control

# Operational Control

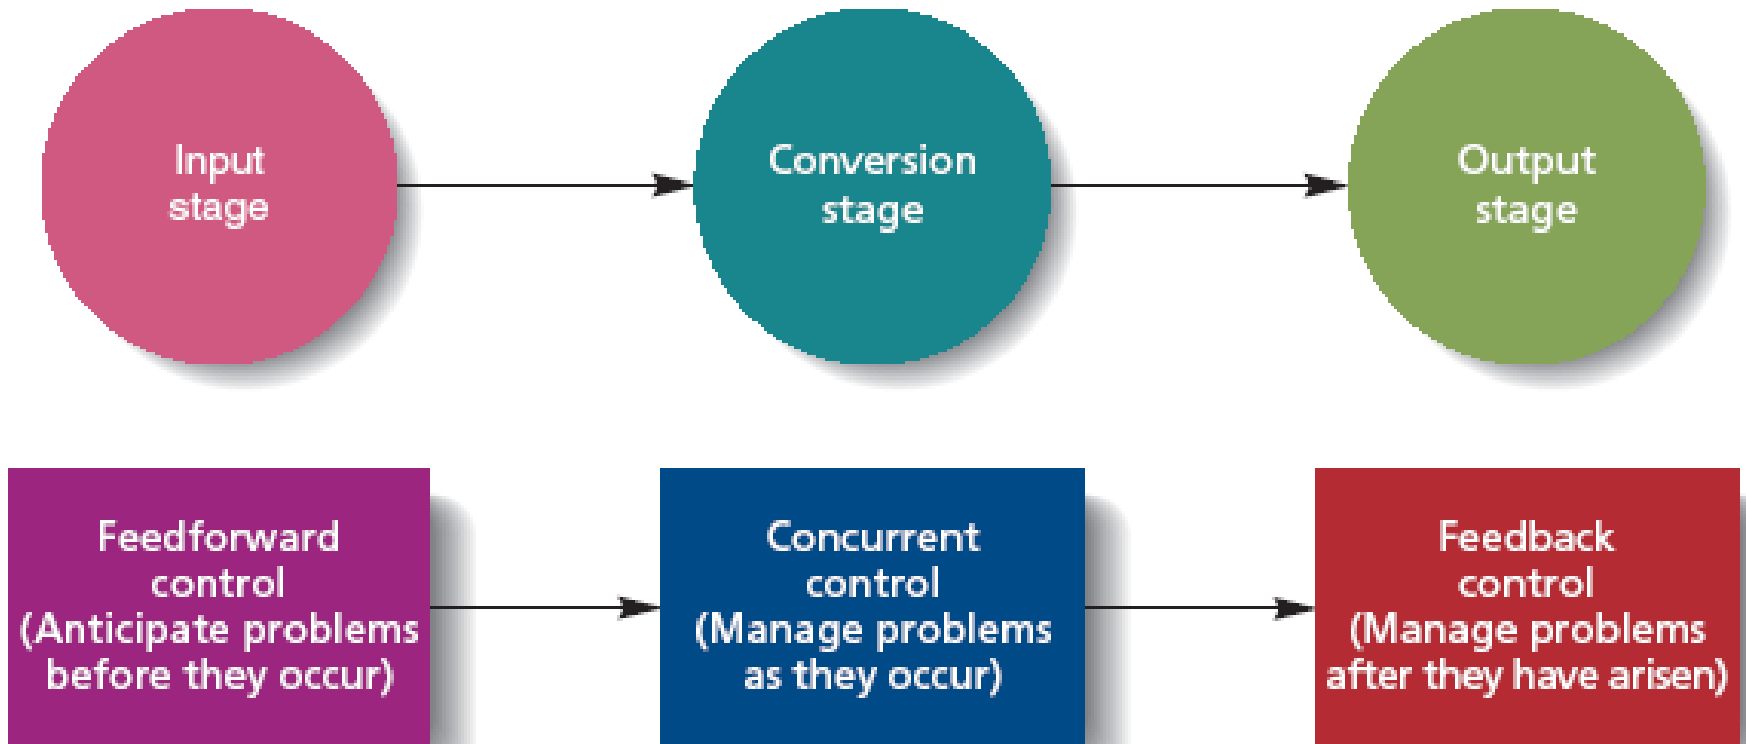

Operational Control focuses on the process that an Organisation uses to transform resources into products or services.

- Feed-forward Control / Preliminary Control
- Concurrent Control / Screening Control
- Feed-back Control / Post-action Control

# Operational Control :

## Three Types of Control

# Financial Control

The control of financial resources of an Organisation.

Types of financial controls:

- Budgetary Control
- Financial Statements
- Ratio Analysis
- Financial Audits

# Structural Control

- **Bureaucratic Control**

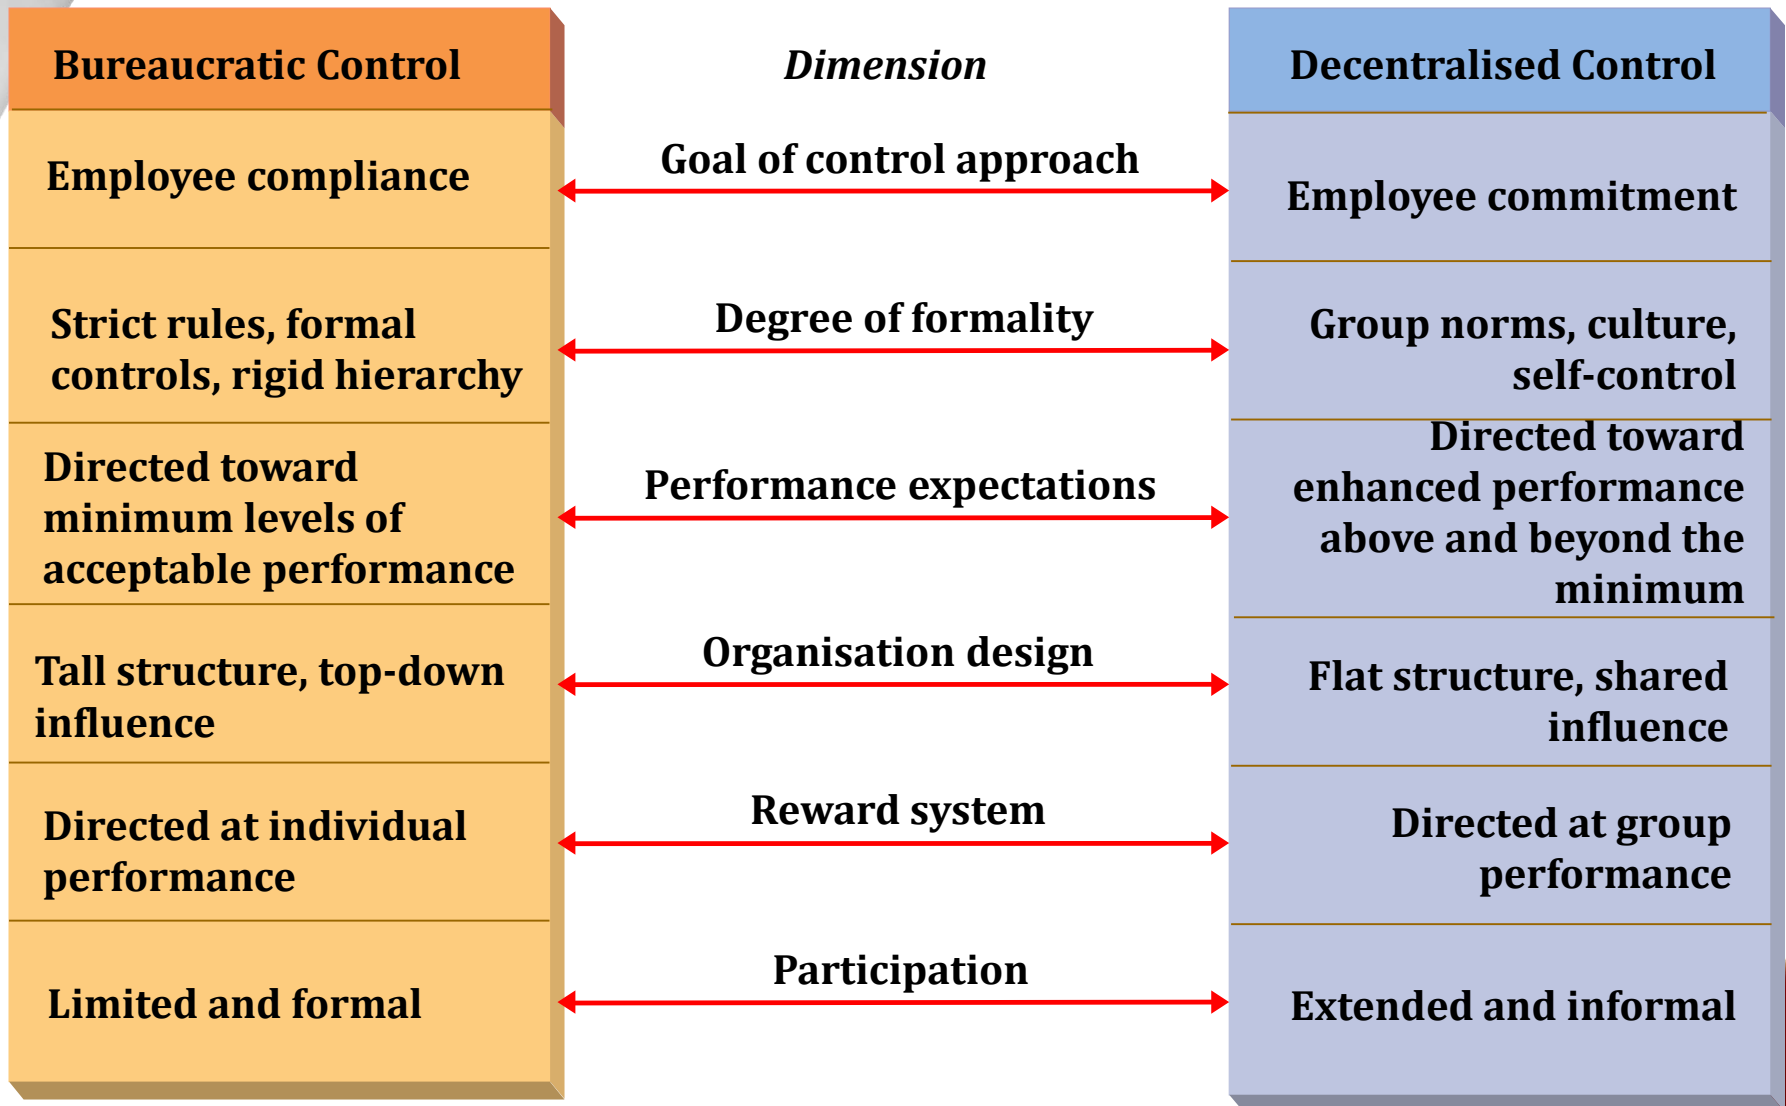

A form of organisational control characterised by formal and mechanistic structural arrangements.

- **Decentralised Control**

An approach to organisational control based on informal and organic structural arrangements.

*(Griffin, 2016, p. 443)*

# Structural Control (Contd.)

# Strategic Control

Control aimed at ensuring that the organisation is maintaining an effective alignment with its environment and moving toward achieving its strategic goals.

*(Griffin, 2016, p. 443)*

# Behavioural Implications of Control

- Control affects individual freedom.
- Controls carry status and power implications in Organisations.
- Rewards for inefficiencies.
- Control might lead to employee resistance.
- Excessive control may limit flexibility and creativity.

# Guidelines for Managing Behavioural Implications

- Set meaningful, acceptable and attainable standards/targets.
- Establish an effective, accurate and timely two-way communication.
- Reward the attainment of standards/targets.
- Develop voluntary co-operation, participation, sense of responsibility, self-control and self-discipline.

# Characteristics of Effective Controlling

- Flexibility
- Accuracy
- Timeliness
- Integration with planning
- Commitment and participation of all managers
