

## **BUS 1370 – Principles of Management**

### **Assignment 01**

This is a group assignment, where the group members must collectively create a mind map on 'Lesson 02: Evolution of Management Thought'.

- Each group is required to create only one mind map.
- Accordingly, the group members must create a mind map of 'Lesson 02: Evolution of Management' on a paper (paper size approximately 37\*23 inches).
- Students are encouraged to be **creative** and **reflective** while using keywords, symbols and hand-drawn images to visually illustrate the content of 'Lesson 02: Evolution of Management Thought'.
- The mind map should only be developed in English medium.
- **Students are not required to use any software** when developing the mind map, as one of the main purposes of this assignment is to develop the student's critical thinking skills and creativity.
- The LMS submission of Assignment 01 should be a single document containing two pages as follows.

Page 1 – Cover page (Refer to Annexure 01 for more details)

Page 2 – A clear photograph of the mind map

- The group leader is required to save the two pages **as a single document** and submit the PDF version of the mind map to the relevant folder in LMS **on or before 5<sup>th</sup> of March 2024**.
- Additionally, the group leader is required to hand over the hard copy of the mind map to the respective lecturer **on 5<sup>th</sup> of March 2024**.
